Multilink FRM-2RU-4X-TS
Fiber Distribution Unit (FDU)

Product Description

The Multilink *FRM-2RU-4X-TS* is a 2 RU 4 termination panel 19″ or 23″ rack mount fiber distribution unit designed to support both patching and splicing in one unit. The unit has a slide out master panel that allows for accessing terminations or for splicing if used as patch/patch splice housing. The *FRM-2RU-4X-TS* is one of a family of units that support fiber termination in rack mount applications.

General Specifications

Dimensions: 3.5″ H x 17.0″ W x 13.25″ D

Capacity: The unit can support patching, patching and splicing
